Dear Parents,

Greetings from ICSK !

Thank you for the overwhelming response in the previous academic year towards the evening art classes. Interested parents can enroll their ward for these classes as it instills artistic skill in our students. These classes are conducted by our qualified teachers in the respective field. The duration of each class will be 1:30 hours, twice a week and the fee is KD 10/- per activity.

### Kindly note the following important norms regarding the Evening Classes

- Transport for the evening classes is to be arranged by the parents.
- Students cannot change the activity or get the refund once the monthly fee is paid for an activity.
- The fee has to be paid before 10th of every month.
- The detailed rules of the classes will be given separately, after the admission.
- In case of absence during the month, the missed classes are not accountable in next month. But the classes lost due to exams or any other genuine reasons may be compensated by the teachers.
- Students can join these classes in any of the branches of ICSK convenient to them.
- In case of any query and any matter related to evening classes, only the respective teacher should be contacted.
