Text Books and Note Books for the Academic Year 2020-2021

Class 7

Dear Parent,

The Indian Community School, Kuwait would be arranging supply of text books to students for the academic year 2020-2021 subject to the following conditions:

- The text books set price includes text books, lab journals, practical record books, compulsory set books like Arabic and KSS books as applicable but excluding note books.
- Students are free to buy the note books from the local market if they wish.
- Those students who have opted not to buy text books from the school however still need to buy a set of compulsory books and price of the same will be informed on the day of the final term exam results are announced.
- The price of the text books set is **KD. 27/-** Students who are opting to buy note books from the school may please pay an additional amount of **KD 6.500** in addition to the text books set cost.
- You are requested to tender the exact amount for the book set to the Class Teacher by **12.12.2019**. A receipt for the same will be provided in due course before the year end of the current academic year.

School will procure and supply text books, note books for the next academic year only to those students who have paid the above amount in advance and will not be responsible for those who do not pay on time.

The books will be delivered to the students in the class, on the day the final term exam results are announced.

Dr.V.Binumon
Principal
