Dear Parent,

The Indian Community School, Kuwait believes that the children are the real asset to the nation. To lead them in the right direction as far as their education is concerned it is imperative to give them the proper guidance regarding various study methods for facing the examination. To facilitate the students with regard to this, ICSK is organizing a special session “Learning Strategies & Facing Examinations” on Thursday, 16th January 2020 from 5.30 to 7.30 p.m.

The seminar is going to be conducted by Dr.B.S.Warrier, highly experienced career adviser & popular columnist who is on high demand & from whom it is difficult to get appointment. I request you all to make use of this golden opportunity & attend the session along with your ward. Those who can't attend can watch the programme's live streaming on **YouTube/ICSK-The Indian Community School**.

I request you all to sit & watch this programme and motivate the children in a positive direction as this seminar is an asset for you & for the bright future of the children .

Regards
