

THE INDIAN COMMUNITY SCHOOL KUWAIT

Tel: 25629583, 25659126, 25613260, 25623370 | Fax No: 25652308

Dear Parents,

Greetings from ICSK!

At the outset please accept our sincere thanks for the constant cooperation and the faith you have in us. Hope you have had an enjoyable and productive time with your child during the summer break. We are looking forward to continuing our academic session with renewed vigour and enthusiasm.

I hope that the students have utilized the vacation time fruitfully & effectively in pursuit of academics and would like to remind you all that the holiday assignments must be submitted on the very next day of reopening without fail.

Life needs to be balanced between fun and work. Summer Holidays give a chance for students to relax. I hope that besides relaxing the students have done the execution of the assigned work in a well-planned manner. I would like to remind you about the revision test that is going to commence from 26th September for classes 10 & 12 and hope that all the students have prepared well for the same.

ICSK is conducting its annual enterprise -SPARSH to give students an opportunity to give back to society and develop social responsibility through empathetic responses to the underprivileged. Those students who have registered for the same should submit the ppt/ videos to Mrs. Jeshu Alex-Coordinator, Sparsh Activity by 4th September.

General Assembly outdoors stands cancelled due to adverse weather conditions. The classes will be assigned duty & they must conduct the assembly in the auditorium according to the revised assembly roster. I would also like to inform you that the students who had celebrated their birthdays during vacation time can attend the school in colour dress on the reopening day ie. Sunday 25th August 2019.

Once again I would like to take this opportunity to welcome you all to continue to be a part of the incessant journey of ICSK in its quest for excellence.

Regards

Dr. V. Binumon

Principal
