

THE INDIAN COMMUNITY SCHOOL KUWAIT

Committed to Excellence in Education Since 1959

Dear Parents,

The Indian Community School has etched a trail of glory in the recently declared CBSE Class XII Examination 2019 results. The school blazed with insurmountable delight after making its mark with cent percent result in all the three streams, the Science, Commerce and Humanities and centum scores in Chemistry, Psychology, Home Science and Informatics. Out of the 296 students, the largest number of examinees in Kuwait, who appeared for the exam, all the students secured first class, and 96 % of students (285 students) bagged distinction. In this year 89 students scored an aggregate of above 90% marks (A1 grade).

To embark with the Science stream, Eisha Elizabeth Ninan embellishes the honour board with a top score of 97.6%. ICSK is immensely proud to own Commerce stream topper Rachel Lourdes Fernandes with 95.6% marks. Adding grandeur to the Class XII Board performance, Joe Mammen John enlivens the Humanities stream with commendable top score of 94.8%. In this Cascade of dazzling success Joe Mammen John, Reshma Sarah Mathews, Diya Thasnim Choonda Thodi & Anitta Rose Siby scored centum marks in Psychology, Chemistry, Home Science & Informatics respectively. The breezy drizzles of the outstanding performance bought home many reasons to revel in inimitable brilliance.

The students brought in laurels with their brilliant scores glorifying the hard work put forth by themselves and by the teaching faculty with the cooperation of the parent community. Encouragement, help and the unconditional support of the management also is a key factor behind this success. Amidst the delightful sprinklings of staggering accolades we extend hearty congratulations to all the students for their meritorious achievement in outstanding Class XII result. We would also like to congratulate all the parents for the unswerving support. We wish that you continue to support us and your prayers and blessings will help the students scale greater heights of academic excellence in the years to come.

Regards

Dr. V. Binumon
